

Match Report for BTRGS participation in the Marie Hunt Memorial Shield.

As is customary, the BTRGS took part in the Marie Hunt memorial shield, which is held at St Audry's Golf Club on Saturday the 2nd August. The BTRGS team comprised of Tim Pittman, Chris Burrows, Chris Amor and Jon Hopkins. The competition format was greensomes stableford off 7/16th combined handicap, with the two pairs scores combined.

The weather on the day was very better than forecast with only a couple of light showers which didn't affect play. The BTRGS team enjoyed both the golf and the company of the team from St Audry's with whom they played. St Audry's presented the course in very good condition and with the small tricky greens high scores were not easily obtained. Despite this, the BTRGS team came in with Tim & Chris B getting 41 points and Chris A and Jon getting 36 giving a very healthy combined score of 77 points and coming in second, just one point behind the winners.

As usual the real winners were the charities which will benefit from the fund of over £1000 which was raised by the event from the entry fee, sales of food, raffle entry and the putting competition, and will be distributed to local charitable causes.
