## BT v St. Audry's Golf Club

Date: 28<sup>th</sup> May 2008  
Venue: St. Audrys  
Format: Match Play

We struggled to get 12 people for the match, so we had pre-agreed 10 man teams with Dave Leech. I thank Jonathan Brown for suggesting Roy and Dave C, who are BT people, although not BTRGS members. Roy has said he will fill in the forms and become a full BTRGS member. Thanks also to Chris Amon who, as vice captain, did the pre-match e-mailing and team sorting.

Despite the horrendous thunder storms overnight, we played in dry, although quite windy, conditions. Because of the possibility of rain during the round, Dave Leech suggested we play straight match play, rather than the originally proposed Hambro format.

The course was in good condition, and we quickly (re-) acquainted ourselves with the lush fairways that didn't give much run, and with the small greens. Club selection from the tee proved critical, as did local knowledge of the greens. Happily the rain held off, and all 5 games were very close. Jonathon and Paul were never ahead in their game until they won the 18<sup>th</sup> – as their opponents observed at the bar!

We were provided with an excellent steak pie and fresh fruit salad dinner, with the England –USA football match shown in the background!

In summary, a closely fought and very enjoyable golf match. Thanks to all the BTRGS Team for turning up, playing well and paying promptly.

The results for the day were as follows:
