## BT v Transco

Date: 17<sup>th</sup> July 2007  
Venue: Benton Hall Golf Club  
Format: Pairs 4BBB Stapleford

Unfortunately a misunderstanding on a date change for the event actually meant Transco were not available on the day of the event (they thought it was a week later !). So event postponed for this year but Transco keen to continue the battle next year.

In their absence we continued with a BT only pairs event. A wonderful day's golf was had by all, the match being played in good July weather much better than the Open ! Despite the recent rains the course still played hard and fast on fairways and greens alike.

Benton again proved to be a good test for all the range of handicaps across the teams. All the holes seem to have a unique aspect to it which needed a good set of tactics to be used alongside a good game for success at the hole. Whilst not the longest course the mixture of strategic placed man made hazards coupled with the natural contours, many water features and interesting tee and pin positions made this an excellent and rewarding challenge.

As can be seen by the results a close match with the back and overall results requiring count back to split the pairs. Chris Amor donated the Longest drive and Nearest the pin medals to provide some individual incentives, although longest drive was won by the only person to hit the fairway !

Overall the club did us proud, the organisation, food and hospitality was of a good standard, good golfing fare of coffee & bacon rolls to set us up for the game followed by Ham, egg and and Chips, apparently the vegetarian option was also very good also.

Chris Amor  
Captain of the Day

Results for the day were as follows:
