## 2009 Autumn Meeting

Date – 18<sup>th</sup> September 2009  
Venue – Colchester Golf Club  
Attendance – 35  
Weather – Sunny

We were fortunate to have a sunny day in Colchester for our Autumn Meeting. The course at Colchester Golf Club was presented very well and the greens I had a chance to putt on were especially good. I would like to thank Richard Gallant at Colchester for helping me organising the day and also Ken our starter who ensured the day ran smoothly for us.

The four ball better ball in the morning was the usual closely fought high scoring battle and congratulations to the winners Paul Burke and Jonathan Brown who scored 45 points. In the afternoon the high handicap was won by Jonathan Brown with 38 points and the low handicap was won with an excellent round of 40 points by Tim Pittman. The combined winners were Rodger Mayhew and Phil Redhead for the pairs, Tim Pittman for the singles and Simon Mahoney for the lowest gross.

The lunch and evening meal were excellent and would like to thank the staff for their service throughout the day.

I really enjoyed the day and got the chance to play a course I hadn't played in many years. I hope everyone else enjoyed the day; I look forward to seeing you all next year at the Spring/Autumn Meetings and wish Erik all the best for his year as captain.

Regards,

Andrew Wright  
BTRGS Captain
