

## **Match Report for BTRGS participation in the Marie Hunt Memorial Shield.**

As is customary, the BTRGS took part in the Marie Hunt memorial shield, which is held at St Audry's Golf Club on Saturday the 1<sup>st</sup> August. The BTRGS team comprised of Andrew Wright, Stuart Wyse, Dave Allen and Jon Hopkins. The competition format was greensomes stableford off 7/16th combined handicap, with the two pairs scores combined.

The weather on the day excellent and the BTRGS team enjoyed both the golf and the company of the team from St Audry's with whom they played. St Audry's presented the course in very good condition and with the small tricky greens high scores were not easily obtained. The BTRGS team failed to live up to last year's second place but still came in with a very respectable score of 67 points which put them comfortable mid-table coming joint 13<sup>th</sup> out of 26 teams.

As usual the real winners were the charities which will benefit from the fund of over £1300 raised by the event from the entry fee, sales of food, raffle entry and the putting competition. This year the fund will be distributed to two local charitable causes, Help for Heroes and the Woodbridge War Memorial Appeal.
