## St Audry's

Date: 27 May 2009  
Venue: St Audry's GC Melton  
Format: Hambro

The annual match against St Audry's Golf Club came around very quick this year especially for Capt of the Day Mr Stokes who had to be reminded the day before that he was the Captain. Oh dear! No excuses but a series of unfortunate events was to blame.

As a result of the last minute invite, School half term, and work commitments we were only able to field 5 players in a 10 man team. St Audry's helped us fill the gaps to allow the match to proceed.

The 5 members who attended did the society proud.

We were nearly fooled by the speed on the practice green that bore absolutely no resemblance to the greens on the course. Beware next year !! As expected the greens were fast and the condition of the course excellent.

As always with St Audry's the company was excellent. Being the "odd" man I was paired with John Richardson of St Audry's who proved to be a great partner to have. John knew every borrow on every green. He also had a weird putting style standing sideways on to the ball, but very effective. Ivan Green, their Captain, and Brian Andrews were great fun to play with giving me lots of advise on how to hole my 2 foot birdie putt which I managed to sink despite them !

Dave Clark and Trevor Buck played a great game levelling their match. But pride of place must go to Erik Hansen and Jon Hopkins who thrashed their opponents by 6 holes. Our seconded players didn't fair so well.

After the match we had an excellent meal and I was asked to make a speech at the Champions League Final. I mean DURING the Champions League Final, which I thought more than upstaged the Englishmen on the pitch.

Next year we'll put out a full team of BT players and beat the living daylight out of them !!

Stephen Stokes  
Captain of the Day
