

Match Report

BTRGS Autumn Meeting 2010

Date: 13th September 2010
Venue: Gorleston Golf Club, Lowestoft
Attendance: 34
Weather: Light overcast with spells of sun and rain late afternoon. Medium wind.

This year the society visited Gorleston Golf Club for the first time, and both course, catering and overall service was excellent and definitely a venue that ought to be considered for future events.

From an organising perspective I would like to thank Jane Alexander for helping me organising the day, and thanks also goes to the Secretary and Catering team for looking after us on the day. The day ran very smoothly with timely lunch provided as groups returned to the club house after the morning round.

The morning four ball better ball was won by Jonathan Brown and Paul Burke with a very strong 44 points. They were followed by Peter Noble & David Clark on 41 pints, whilst Tim Pittman and Rob Glassford finished 3rd with 40 points.

In the afternoon Stableford the high handicap competition was won by Steve Hughes on 39 points. The low handicap competition was very close, with 3 players finishing on 37 points, and was won on count back by Erik Hansen.

Bob Mills won the Nearest to the pin challenge. Roger Mayhew and Erik Hansen shared the Nearest to the pin in 2 shots, whilst Tony Dann hit the longest drive of the day. Tim Pittman gathered the highest number of birdies on the day with 3, and Richard Beecroft won the Lowest Gross competition with an excellent 78.

In the combined Spring and Autumn competitions, Jonathan Brown and Paul Burke finished top of the 4BBB competition with 84 points. Chris Amor won the Singles Stableford combined competition with 78 points, and Jim Harrison won the Lowest Gross combined competition with 164 shots.

There was plenty of prizes given out this year, and I wish to say a big Thank You to Richard Beecroft and Trimble who provided Sponsorship money towards prizes and also kindly provided the entire field with a sleeve of balls and tee's.

I really enjoyed the day, and I hope everyone else did the same. We have now only 1 more event on our 2010 calendar, which is the 2-day event at Forest of Arden on the 3-4 October.

Regards,
Erik Hansen
BTRGS Captain

Autumn Meeting Results
