## BTRGS Spring Meeting 2010

Date: 5<sup>th</sup> May 2010  
Venue: Links Golf Club, Newmarket  
Attendance: 38  
Weather: Light overcast with spells of sun

We were fortunate to have a moderately warm, near wind still and lightly overcast day with some spells of sun in Newmarket for our Spring Meeting. The course was presented very well although a couple of greens were slower than the rest. I would like to thank Matt Hartley at the Links Golf Club for helping me organising the day. The day ran very smoothly with timely lunch provided as groups returned to the club house after the morning round.

The morning four ball better ball was won by Niels and Tim a good few furlongs ahead of the rest of the field with a very strong 46 points. The runner up price was however very closely contested, with 3 teams finishing at 40 points. Using standard count back rules, Paul & Jonathan took home the second place whilst Andy & George got third.

In the afternoon Stableford the high handicap competition was won by Jim Harrison on 41 points and the low handicap competition was won by Tony Dann.

Roger Mayhew won the Nearest to the pin challenge. Andrew Wright won the Nearest to the pin in 2 shots by driving the green (the ball trickling onto the green while Colin and myself were putting out) – great shot Drew ☺ Steve Boswell showed strength and technique by hitting the longest drive of the day (across the race-course). George Courtney was on form with 5 birdies on the day, and Bryce Kelly won the Lowest Gross competition with an excellent 79.

The lunch and evening meal were both excellent and would like to thank the staff for their service throughout the day.

I really enjoyed the day, and especially meeting the recent new joiners to our Society. I hope everyone else enjoyed the day as well, and I look forward to seeing everyone at different events throughout the season and the Autumn Meeting which will take place at Gorleston GC on the 13<sup>th</sup> September.

Regards,  
Erik Hansen  
BTRGS Captain
