

BTRGS Match Report

BT v Transco

Date: 30th July 2010
Venue: Colne Valley Golf Club
Format: Pairs 4BBB Stapleford

This match was held in the normal good spirit with much banter between the teams especially around National Grid never winning the cup they generously provided. True to Ryder cup spirit the team selection was swapped at last minute to try to effect a change in fortunes and we were rewarded with an excellent afternoon of friendly but competitive golf and thankfully no change in result !.

The weather on the day was excellent and the Colne Valley Golf Club provided an excellent challenge on their well prepared and maturing course. As a valley course there is few flat lies on the fairways and the greens whilst fair and true had subtle breaks to make the holes interesting throughout.

Overall the club did us proud, the organisation, food and hospitality was of a good standard, coffee & bacon huffer to set us up initially for the game was followed by Chicken and Ham pie, fresh vegetables and chips and sweet providing excellent golfing fare.

Captain of the Day
